## JOINT HEALTH & SAFETY COMMITTEE MEMBERS

### The Road to Zero

Tuesday 10:00 am

Join Tom Beegan, Chief Prevention Officer, WSIB, as he provides a two year update on the WSIB's strategic plan to realize the shared vision of eliminating all workplace injuries, illnesses, and deaths in Ontario.

### Collisions versus Sharing the Road

Tuesday 10:00 am

Motor vehicle collisions have been cited as one of the most preventable causes of premature deaths in North America. The prevention of collisions comes down to one main factor – the driving making the right choices based on the situation. Hear about some of the problems identified and the choices that we all have.

### Falls Prevention

Tuesday 10:00 am

This session will give you an overview of how to recognize and evaluate fall hazards, the legislation, standards and guidelines that apply to fall hazards, and the controls. See samples of different types of equipment and learn about what equipment to use for different applications, how to use and maintain the equipment, and more.

### Ministry of Labour Priorities

Tuesday 11:30 am

This session will familiarize you with the Ministry of Labour's role in workplace safety and the Safe At Work Ontario compliance strategy, including details of enforcement blitzes and sector strategies.

### Emergency Preparedness

Tuesday 11:30 am

Planning for an emergency shouldn't be done in an emergency. This session will cover some of the basics when working with municipalities and emergency services and, most importantly, it will provide insight into the creation of an emergency management plan.

### Complacency – The Silent Killer

Tuesday 3:30 pm

This session will show you that even when people are compliant with the procedures, are aware of the hazards, and know the PPE requirement, injuries can still occur. Learn what you can do to efficiently minimize the effects of complacency in your workplace.

### Health & Safety E-Course

Visit the e-learning classroom and take a health and safety e-course at no charge. Each course is for one hour and you get a certificate when you are done. Limit one course per participant during the conference. Seating is first come, first served. Find out how easy e-learning can be.

### Ministry of Labour Mock Trial

Wednesday 9:30 am

A judge, crown prosecutors, defence lawyers and supporting cast actually stage a full trial and give you the opportunity to see first hand what due diligence really is.

### CSA Z462 and Practical Electrical Safe Work Planning

Wednesday 9:30 am

A very practical and hands-on workshop that will comprehensively cover all electrical hazards involved with the execution of electrical work including direct contact and arc flash and blast.

### Boost Morale, Decrease Personal Stress and Be Happier on the Job

Wednesday 11:00 am

Increase morale with a humorous session that will have you laughing – and feeling great. Use the powerful and practical suggestions to bring some fun to your workplace. Learn strategies for stress relief and a healthy lifestyle and workplace.

### High Performing Teams

Wednesday 2:45 pm

Your JHSC team may be functioning, but is it a truly high performing team? Come prepared to learn the seven characteristics of a high performing team as applied to the acronym PERFORM. This session will be focused, interactive, practical and upbeat.
